Miss Katherine Brown from EPA,  
I was just checking in to see if you had heard anything on our latest QAPP version. We just sent in our Bio's and Abstract for the 2014 National Forum on Contaminants in Fish that I will attach here for you to see. Please let us know if there are any other changes or if you have any questions please send them along we would be happy to hear them.  
Thank you,  
Michael
